

Cristina Radu is the Head of the Wealth Deposit and Credit Products team for TD Wealth, where she is responsible for overseeing the multi-billion-dollar deposit and credit books held across the various TD Wealth channels.

Ms. Radu is a results-oriented professional with over 15 years of financial industry experience in Europe and Canada and expertise in product management, strategy development, people management and leading change.

Ms. Radu worked in consulting and capital markets before starting her career with TD in 2006. Before taking on her current mandate, she held a variety of roles in Operations, Small Business Banking and Commercial Credit Product Management.

Ms. Radu is passionate about community engagement and has worked with several non-for-profits, including TD Friends of the Environment Foundation, United Way and TRIEC.

Ms. Radu holds a BA from the Faculty of Economic Studies in Foreign Languages in Bucharest, Romania and an MBA from HEC Montréal.
